

1. I am the Public Works Commissioner for the County of Saginaw.
2. I am familiar with the subject DMDF project and I have participated in a number of the decisions made with respect to the project.
3. I am familiar with the nature of the permits involved and the nature of the items which will be placed into the DMDF.
4. The DMDF will only contain dredged material spoils from the Saginaw River in accordance with a permit which has been issued by the Michigan Department of Environmental Quality. No spoils from any other part of the river will be placed in the DMDF. Furthermore, there will be no non-river spoils placed in the DMDF facility.
5. Any other items which would be placed in the DMDF could only be placed following a request for, and issuance of, a permit allowing for placement of said items.
6. If called as a witness at trial, I could competently testify to the facts set forth in this Affidavit.
